## ABOUT ME

---

I am a Computer Science student with a strong interest in Full-Stack Web Development. I am passionate about creating responsive, user-friendly websites and applications using both front-end and back-end technologies such as HTML, CSS, JavaScript, React, Node.js, and databases. I am continuously learning and improving my skills to build efficient, scalable solutions and am excited to contribute to impactful web development projects. I consider myself a responsible and orderly person.
